MEMORANDUM FOR: Director of Administration, DPS/DCI
Communications Officer, DPS/DCI

SUBJECT : [] Personnel a []

25X1

REFERENCE : [] 124 (IN 42259) dated 3 July 1958

The reference recommended that Communications personnel replace two Ramo-Wooldridge representatives in [] who will be leaving in October. I have since concurred in the recommendation by Commo that they should also replace a third R-W representative who is due to leave a few months later but that one R-W senior technical representative should remain with the Detachment so long as System 4 is operational. I believe that Communications, in consultation with the Contracting Officer, should secure the agreement of R-W to provide a suitable technical representative throughout the life of this program. Please advise me if any difficulty is encountered in working out this arrangement.
